SUMMARY

With over 8 years of dedicated experience in elderly care, I bring a wealth of practical skills, including medication administration, personal care, and community outreach. My biggest career achievement is pioneering a wellbeing programme that significantly uplifted client emotional health by 30%. My commitment to patient wellbeing and track record of positive outcomes aligns with the high standards expected in care services.

EXPERIENCE

Senior Care Assistant

Comfort Keepers

📅 04/2020 - Present 📍 Brighton, UK

- Developed structured wellbeing programs for elderly clients, improving emotional health indicators by 30%.
- Managed medication schedules for 20+ clients, ensuring 100% accuracy and adherence to prescribed regimens.
- Trained and mentored 10 new care assistants in patient handling techniques, enhancing team efficiency by 25%.
- Collaborated with healthcare professionals to create personalised care plans, increasing patient satisfaction scores by 15%.
- Enhanced the daily living experience of clients by integrating innovative recreational activities.
- Spearheaded a community outreach initiative that expanded service coverage, resulting in a 20% increase in client base.

Care Assistant

Home Instead Senior Care

📅 01/2018 - 03/2020 📍 Hove, UK

- Delivered compassionate care to 15+ clients daily, resulting in 95% positive feedback from client families.
- Organised and executed memory care activities, which increased cognitive function in clients with dementia by 18%.
- Initiated a dietary review system, tailoring meal plans to individual health requirements.
- Managed scheduling for client appointments and transport logistics, demonstrating superior organisational skills.
- Consistently met strict hygiene standards, contributing to a zero-infection record during tenure.

Community Support Worker

Age UK

📅 05/2015 - 12/2017 📍 Brighton, UK

- Provided critical support to elderly clients, enhancing their daily living through empathetic and skilled care.
- Facilitated local social groups, increasing community engagement by 30% among service users.
- Implemented a feedback system to improve service quality, leading to a 10% increase in client satisfaction.
- Assisted patients with mobility, personal care, and completing household tasks, thereby enabling independent living.

EDUCATION

GED Equivalent Diploma

Brighton College

📅 01/2011 - 01/2012 📍 Brighton, UK
