

SUMMARY

Fourth-year student in computer engineering who is motivated, precise and is interested in Web Development. I have a strong feeling of creativity and am excellent at addressing challenging technical problems. I approach my work as a diligent and conscious learner.

EDUCATION

Computer Engineering | An-Najah National University
SEP 2021 - PRESENT
High School | Talaa' Al Amal High School
2021

SKILLS

Programming Languages:
-C++, Java, JavaScript, C, HTML, CSS, React, SQL, Assembly, VHDL, Verilog.
Problem-Solving:
-Skilled in analyzing and debugging complex systems with a focus on optimization.

PROFESSIONAL EXPERIENCE

1. Content Writer and Event Organizer
IEEE Committee, An-Najah National University | Sep 2023 – Sep 2024
Created engaging content to promote technological and professional activities.
Coordinated workshops and events promoting technological growth and networking.
2. Participant
IEEE Xtreme 17 Programming Competition | Oct 2023
Competed in a 24-hour global hackathon, solving advanced programming challenges.
Collaborated with a global community of developers, enhancing teamwork under pressure.
3. Participant
"Let's C" Competition by IEEE An-Najah | Feb 2023
Developed and presented solutions to programming challenges as part of a team.

ACHIEVEMENTS

1. DELF A1 Diploma:
Successfully completed on June 4, 2018.
2. Intel Challenge for Palestinians:
Participated in an innovation-focused competition during 9th grade.
3. Arabic Reading Competition:
Enriched analytical thinking and perseverance through regional participation.
4. Sports Festival Organizer:
Coordinated a large-scale sports event to foster teamwork and engagement in 2017-2018.
5. National Mathematics Olympiad:
Competed in 8th grade, honing analytical and problem-solving skills.
6. The Hour of Code:
Completed coding initiative in 2017-2018, promoting accessibility in programming.

PERSONAL QUALITIES

1. Driven and detail-oriented, with a passion for innovation and technology.
2. Effective communicator and collaborative team player.
3. Committed to personal and professional growth in a global environment.

LANGUAGES

Arabic (Mother Tongue)
English (B2)
